

Enterprise Pro Cyber Liability Program

The Enterprise Pro Cyber Liability Program protects businesses for the cost of an actual or suspected violation of a privacy regulation due to a security breach that results in the unauthorized release of protected personal identifiable information which is any private, non-public information of any kind in the merchants care, custody or control.

The Enterprise Pro Cyber Liability Program is facilitated through the North American Data Security RPG (named insured on master policy), a risk purchasing group which is registered in all 50 states and the District of Columbia. The master policy is underwritten by AXIS Insurance Company, an A+ rated insurance carrier by AM Best.
